1 week on time arrival
Well Done!

2 weeks on time arrival
15 Minutes Extra Play!

4 weeks on time arrival
Golden Time!

1 week on time arrival
Non-Uniform Day!

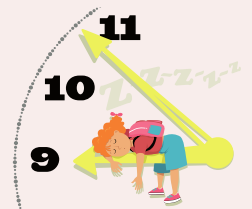

Punctuality has been variable this term. As you can see above, when we first returned in September, almost every class arrived on time. However, this quickly declined, particularly in Reception and Years 5 & 6. Netherton and Station class have been the most consistent, so a big well done to them.

When we return after Christmas, we would really love to see more classes achieving their 'heroes' rewards for the whole class arriving on-time each week. If a class manages this for 2 weeks, they earn an extra playtime. If they all arrive on-time for 4 weeks, they earn EXTRA golden time!

If the whole school all arrive on-time each day over the period of 1-week, then a non-uniform day will be held. If you need any support with getting your child into school on time please speak with Miss Francis or your child's teacher.

96% or above
On Target – well done!

95.99% – 90.01%
Under Target – room for improvement

90% or below
Persistent Absence – concerning

We do understand that sometimes children are unable to attend school, however we are seeing an increased number of unauthorised absences which could be avoided. If you have any planned absences coming up, then please ensure that you let us know in advance so that we can inform children's teachers and minimise the impact on their learning. Overall attendance has been very turbulent across this term. As with punctuality, every class started well but this has declined. As you can see, each class is currently under our target of 96%.

There have been 63 out of 150 possible occasions where a class has achieved over 96% attendance. On a more positive note, we have given out attendance rewards to 134 children today who have achieved over 96% attendance for the term, with 55 children achieving 100% attendance! A big well done to them all. We look forward to seeing all children back in school on Thursday 4th January for the start of the spring term.

Stars of the Term

Clee

Following a class discussion about the importance of kindness, the children in Clee chose Ezra as the star of the term. They felt that he was always kind to everyone in the class and his teachers have also noticed how considerate he is to others. He consistently makes good choices and tries his best in every situation. Well done Ezra.

Miners

Camden has been voted as Miner's star of the term, by his class mates. During a vote on who they think should be voted star of the term, he was described by classmates as being really friendly and simply 'the best', so a popular member of the class! Well done

Cam 😊

Arley

The star of the term for Arley Class is Blue-Belle. Her friends voted for her as she is such a great role model. Blue-Belle works hard, and always tries her best. She is kind and loyal and a good friend to everyone. She is always doing the right thing. Well done Blue-Belle!

Netherton

Netherton class voted for Lola as star of the term and we couldn't agree more with this choice! She is one of the kindest members of our class, always works hard and always does the right thing. She is a great role model of all our school values and comes into class with a smile every day. Well done for working hard this term!

Station

Station's star of the term is Isla! Isla's classmates have chosen her because she consistently demonstrates our school values of respect, relationships and resilience. Isla always works hard, and she is a fantastic friend to everyone. Well done, Isla, we are very lucky to have you in Station class. We're sure you'll continue to be a star in 2024!

TTRS ROCK HEROES

Oakley

Lily-Joy

Hayden

Stars of the Term

Hazelwells

Ironbridge

Hazelwells have voted Matilda as the star of the term. Matilda is a very conscientious member of our class, who is always doing the right thing and trying her very best. She is a kind and caring friend to everyone. Thank you Matilda for being such a superb role model for us all.

Stan has thoroughly earned his 'Star of the term' award. From helping his teachers, practicing his timetables every day, supporting his friends, having impeccable manners, showing a great sense of humour, reading regularly, to generally being an excellent role model for all students in school. Stan, you truly are a star, well done for all your hard work.

Severn

Hitchens

Finn is our very well deserved star of the term in Severn and what a star he is! The children have chosen him for being such a kind and polite member of the class and the grown ups in the class agree. We also think he has a fantastic attitude to learning and helping out around the classroom. Thanks Finn and well done!

I am absolutely delighted that the winner of our Hitchens class vote is Porsche. She has been noticed by us all for being polite, kind, caring and answering lots of questions in class. We have also been really pleased to see her taking on extra responsibilities such as being a Calm Class helper and a member of the litter picking team. Well done Porsche!

Wrekin

Star of the Term, as voted by Wrekin Class, is Jasmine. It is of no surprise to the adults in class that Jasmine has been chosen, as she is kind and caring to others and goes above and beyond what is expected of her. Jasmine's patience is second to none and she conducts herself in a responsible and mature manner. It goes without saying that Jasmine is an EXCELLENT role model to her Year 5 peers and this award is of no surprise, as clearly this is what her classmates see in her! Well done, Jasmine!
