

Sports Premium Funding at Highley Community Primary School

Highley Community Primary School has been awarded a Sports Premium Grant annually since 2013/14 academic year. For the current academic year, 2017-18 (up to March 2018), we have received a grant of £18,150 (a figure based on our current intake).

The purpose of this government grant is to improve the provision of PE and sport within schools, with schools being given freedom to choose how best to spend the money in order to do this. The funding is 'ring-fenced' and therefore can only be spent on the provision of PE and sport in schools.

Use of funding 2017/2018:

Highley Community Primary School received £18,150 for the last academic year which was used to continue the work done in previous years and embed good quality teaching and learning.

Improving the quality of teaching and learning

The school has used the Sports Premium grant to raise the standard of teaching and learning in PE by purchasing sports equipment and resources and investing in relevant training programmes in the following ways:

Provision	Impact
Specialist P.E coach used to pass on their knowledge to other members of staff.	Overall standard of P.E across the school has improved.
Specialist P.E coach to deliver staff meeting on subject area weaknesses. (Dance)	Whole teaching staff had staff meeting on Dance. Teachers left with ideas about how dance can be taught in a range of ways and not the traditional approach. Teachers left with vital ideas and resources.

Annual equipment check from sports safe UK to make sure all equipment in the hall passed for use.	Some of the matting used for the apparatus was condemned so new mats and a mat trolley were purchased to improve the children's experience when doing in door PE.
---	---

2. Increasing participation in sporting activities outside of the core curriculum

Provision	Impact
Develop play leadership training for Year 5/6 children, using support staff in school. To train and organise a comprehensive timetable of activity during break/lunch times.	<p>Children are engaged in focused, meaningful play activity at break and lunchtimes.</p> <p>Children take responsibilities for play and leading of the younger children on the playgrounds.</p> <p>Behaviour incidents on the playground are reduced as children are focused on play activities.</p>
<p>Participation in intra- school competitions and introducing 'new' sports to the children which they may not have encountered, e.g. dodge ball.</p> <p>Participation in Sport Ability' for SEN/ targeted: supply/ transport cost cover.</p> <p>Participation in 'Summer Games' for HA children: supply/ transport cost cover.</p>	<p>Sports Teams taking part in these events were prepared well to enable them to compete with other schools.</p> <p>P.E. Coordinator was able to attend events with the children and attend Network/ Partnership meetings to keep-up-to-date with current developments.</p> <p>Children (of all abilities) did participate in a range of intra-school sporting event, including 'new' sports, which children may not have had opportunity to experience previously.</p>

Audit and monies allocated to the cost of equipment and resources for these extra-curricular activities.	Purchase of specialist equipment, e.g. dodge balls, based on audit. Dodgeballs and tennis balls purchased.
Leasing costs of school mini-bus, enabling us to attend more sporting activities/ competitions outside of school.	Children enabled to travel to a greater number of sporting activities/ tournaments and events outside of the normal P.E. Curriculum.
Whole school swimming lessons were introduced	All children are able to attend swimming lessons in curriculum time and receive a valued life skill from reception to year 6. 76% of all years 6 left attaining the required outcomes at the end of key stage 2.

3. Improving pupils' lifestyles and physical wellbeing

Provision	Impact
Increased sporting participation for all pupils as a result of all of the above.	The majority of Highley Community Primary School pupils have improved health and well-being, whilst also benefiting from all the other positive values that sport promotes.
Encourage the children to lead a healthy lifestyle	Introduction of the Daily mile where all children will be physically active for 15 minutes in a designated time slot throughout the school day.

Planned spend: 2018/19:

1. Improving the quality of teaching and learning

Provision	Measure of effectiveness
<p>Specialist P.E coach/ HLTA employed:</p> <ul style="list-style-type: none">• To develop knowledge/ skills to other members of staff.• To develop the P.E. skills of the pupils across the school. <p>Supply costs met to enable the P.E. Coordinator to evaluate the effectiveness of any provision.</p>	<p>Overall standard of P.E across the school continues to improve with confident P.E. teaching and greater skill acquisition of the pupils at Highley Community Primary School.</p> <p>Lessons observed and improvements noted as a measure of effectiveness. Has to initiate the tracking system and to check whether it is being used effectively.</p>
<p>Introduce a tracking system to show the ability of the children in each are of the curriculum</p>	<p>Teachers and children know where they are and what they need to improve on when coming back to that topic later or in the academic year.</p>

2. Increasing participation in sporting activities outside of the core curriculum

Provision	Measure of effectiveness
Train (current) Year 5/6 pupils in the skills of 'play leading' to prepare for the new academic year (2018/19), using support staff in school (additional cover cost).	Children continue to be engaged in focused, meaningful play activity at break and lunchtimes. Behaviour incidents on the playground are reduced.
Continue to participate in inter school competitions:	A full calendar of events will be put in place to reflect the learning that has been going on in curriculum lessons. Children will compete in both KS1 -2 competitions so all children have the chance to compete and represent their house colours. Results will be revealed in assemblies, on newsletters and also will be places onto the sports boards.
Introduce 'Change 4 Life' programme in school (initially for targeted children)	'Change 4 Life' programme set up in school with children having improved health and well-being as a result of the programme. Teachers will identify targeted children that need this extra help.
Develop after-school sports clubs using external providers – providing a part/ full subsidy to support disadvantaged pupils.	More children participating in after-school sports clubs, leading to improved health and well-being. Leading to more children making links to local sports clubs.

Build relationships with other schools and take part in sporting fixtures both on school site and away.	Children will have the opportunities to represent the school at a wide range of activities in many different settings. They will have the opportunity to meet other children from different settings and walks of life.
On-going leasing costs of school mini-bus, enabling us to attend more sporting activities/ competitions outside of school.	A greater number of children enabled to travel to a greater number of sporting activities/ tournaments and events outside of the normal P.E. Curriculum.
Entrance into National governing body competitions	Children will have the chance to take part in competitions taking on children from a wider area. More children will have the chance to attend sporting activities. These children will be able to communicate with other children outside of the school setting.

3. Improving pupils' lifestyles and physical wellbeing

Provision	Impact
Installation of the daily mile track.	All children will have the chance to use the track and will inspire the children to take part. The children will be able to use the track all year round meaning they are being healthy and active daily. Children will have the mentality of being active in their adult years.
Whole schools swimming	We will endeavour to make sure that 100% of children at the end of key stage 2 will achieve the required outcomes.
