28TH FEBRUARY 2025 MESSAGE FROM MR PLIM

Dear Parents and Carers,

I hope that you all had a great half term break!

I am delighted to report that the Sunshine Room table-top sale made a total of £89.70! The funds raised are being put towards sensory items & a sensory garden.

World Book Day is on 6th March (next Thursday) this year and we are looking forward to celebrating the joy of reading with children. Like every year at Highley, we will be celebrating with lots of reading-related activities, our theme will be 'read your way' - the focus will be to spread the message of the importance of reading for pleasure:

Being read to regularly
Having books at home and at school
Having a choice in what to read
Finding time to read
Having trusted help to find a book
Making reading FUN!

We will be starting the day with a whole-school assembly, doing some mixed-class reading and at the end of the day, children will be signing up to listen to a chosen teacher reading a story. That's not all...after school we will be holding our third Reading Café of the school year so please come into the hall with your children and enjoy sharing a book together.

Last year, children really enjoyed being able to come to school either in their pyjamas (perfect for snuggling with a book) or dressed as a character from a favourite story. We would like to invite children to do the same this year - whatever helps to make the day enjoyable, fun and comfortable is fine!

Next Friday, the Scholastic Book Fair will arrive in school and will be open for orders until Thursday 13th March. This has always been really successful and the money raised means lots of new books coming into school!

As always, I'm sure it will be a memorable day - have a great weekend!

Mr Plim

Stars of the Week

Clee

Henry is our star this week! He continues to work incredibly hard, and it's been a true pleasure to watch him grow over the past six months. Henry has made amazing progress, and he is now able to count to 5. It has been wonderful having him as part of our school community, and we will all miss him dearly. We wish him the best of luck as he embarks on this next chapter.

Arley

Arley's Star of the Week is Ella! Ella has impressed us with her fantastic writing this week. She has been really focused on sounding out the trickier words in her recount about our walk to Forest School on the hunt for bugs. Ella has also been trying really hard in maths and is always eager to learn! In ICT, even when things get a little tricky, she perseveres and never gives up. Her hard work paid off, and she produced a wonderful piece of work on the laptops. Well done Ella, keep it up!

Station

Station's star of the week is Arabella! Arabella has been working hard in class and has particularly impressed us in our dance workshops. She is also our go-to demonstrator in gymnastics lessons as she really is the expert in the room. Arabella has been enjoying her break times with friends and has shown good concentration and focus in class.

Well done and keep it up!

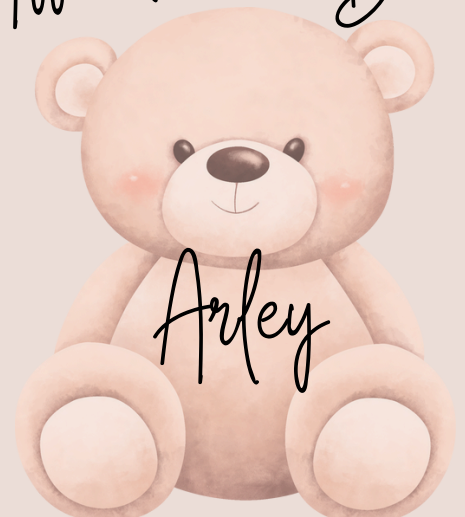

Miners

This week's star of the week is Isla because of her fantastic attitude to learning. She is so enthusiastic about our topic on castles that she has been inspired to compile an amazing fact file on British Castles. We have so enjoyed celebrating this wonderful achievement in class, and seeing Isla's great sense of pride that she has produced something fabulous is a shining example to us all. Well done Isla, you are a superstar!

Netherton

Willow is star this week for always having a positive attitude every day, she has been working really hard on her resilience and giving things a go even when they are tricky not giving up! She is also always a really kind and caring person and looking out for everyone all the time. Everyone needs a friend like Willow!

Stars of the Week

Hazelwells

Our star in Hazelwells is Oliver, for his wonderful caring nature! Ollie is a great friend to so many people and will go out of his way to make sure that others are happy! He is also working hard in class and is an all-round brilliant Year 4!

Ironbridge

This week in Ironbridge class, Lily-Joy is our Star. This is for her hard work with her reading in and outside of school. Lily-Joy reads almost every day at home and is a great reading champion. Keep up the good work!

Severn

Callum has impressed me with his constant effort in all lessons especially with his cold writes and hot writes. His resilience is very impressive and we are very proud of his progression. Well done Callum!

Hitchens

Our star in Hitchens is the wonderful Isla! Isla- you could honestly be the star every week as you are most definitely an 'always' girl. You're always helpful, hard working, respectful, resilient and a good friend to others. You are so calm and just get on with everything- keep up the excellent work!

Wrekin

Star of the week for Wrekin is Cody. Cody is a fountain of all knowledge when it comes to mechanics, trains and apparently - clocks! It is really pleasing to see how enthusiastic Cody is to share his hobbies with us on Seesaw and recent uploads include films of his miniature railway set up at home and his clocks, which he brings back to life! Cody has an incredible general knowledge and always has an interesting fact or two to enlighten us with. His sheer resilience when it comes to researching these areas of interest is second to none! He is officially a walking encyclopaedia! Thank-you Cody!
