19TH DECEMBER 2025 MESSAGE FROM MR PLIM

Dear Parents and Carers,

As we embrace the festive season, it's a wonderful opportunity to reflect on the importance of 'giving'. At

Highley, we believe that teaching the value of generosity fosters empathy, compassion, and social responsibility within our community. Donations for Bridgnorth Foodbank in exchange for wearing a Christmas jumper last Thursday and the delivery of our 'Bags of Kindness' were testament to this. Both initiatives are not just about the act of giving, but about nurturing well-rounded individuals who will contribute positively to our community and society as a whole. One of the Year 6s described handing out the Bags of Kindness around the village as a 'wholesome' activity to be involved in - such a great word to describe an activity that helps our children grow into caring citizens who understand the impact of their actions on others.

In a separate example of 'giving back', fifteen wonderful children performed on stage at Oldbury Wells on Tuesday - Miss Cunningham sent me an email afterwards which was a wonderful summary: *"I just wanted to email to say what a wonderful and magical evening it has been with our choir tonight. They were perfect representatives for the school and I was ever so proud it be part of this evening. The children were polite and respectful. The way they engaged and encouraged other schools with their performances was inspiring (dancing along in Highley fashion and showing off their sign language skills). The courage they showed on stage with their big smiles and their voices filled the room beautifully! They should be incredibly proud of themselves."* What a lovely summary and if you've seen our children sing, I'm sure you would agree with this sentiment! The CEO of the Trust-Ed group of schools also emailed Mrs Williams saying: *"Highley pupils were such a credit to you"*, so a huge thank you to Mrs Williams for helping our children shine!

Wednesday saw our annual Christmas Dinner - Mrs Mantle's 25th here at Highley! A huge thank you to her, Mrs Walford and Mrs Dalziel for their efforts in serving 250 meals (and 250 decorated Christmas biscuits!), it was delicious as always. Yesterday, Autumn team enjoyed their team treat of a drumming demonstration and workshop, and a little Christmas treat to take home - we go again in January!

Finally, some sad news, but today is Miss Cash's final day at Highley School. Miss Cash has already said goodbye twice before, finishing 2 teaching placements as part of her teacher training, but I am afraid this goodbye is more 'final' as she is taking up her first teaching post in a new school - we have loved having her at Highley; she will make a super class teacher and we wish her the best of luck in the future!

As we celebrate this season of giving, and on behalf of all the staff at Highley, I would like to extend our heartfelt gratitude to all parents and carers for their support - we wish you all a joyful and festive

Christmas, filled with warmth and kindness,

Mr Plim

A Quick Guide To Head Lice

Symptoms & Detection

The main symptom is an itchy scalp. Children may hardly notice head lice or may have only minor scalp irritation.

Move a fine tooth comb through wet hair from the scalp outward. Lice are usually found at the back of the head or behind the ears.

Eggs (or nits) are oval-shaped, greyish white and can be seen firmly stuck to the base of hair shafts. They are easier to see because they greatly outnumber lice.

Care

Use a special shampoo, cream or lotion to kill the lice eggs. To get rid of them, use a fine tooth comb to carefully pick them out.

Wash your bedding and clothes in hot water. These items should probably be dried in a drying machine that reaches 54 degrees Celsius for about 30 minutes.

Transmission

Headlice are most common among children aged 5-11, but can affect almost anyone. The infestation is spread by close personal contact and possibly by shared combs, brushes, hats and other personal items.
