18TH SEPTEMBER 2026 MESSAGE FROM MR PLIM

Dear Parents and Carers,

The children looked GREAT today at the end of our careers and aspirations week - thank you for spending the time helping the children with costumes!

A huge thank you also to the parents and members of our school community who gave up their time to visit school to talk to the children this week. We all (children and staff!) thoroughly enjoyed hearing about the wide range of careers represented, learning how our visitors got into their jobs, the qualifications and training they needed, and the personal strengths and qualities that help them to be successful in their roles. We heard from Mr Prouse about life in the Royal Navy, Mr and Mrs Millington about tree surgery and supporting the community, Mr Quinn about his career in Cyber Security and Dr Austin about working in her role as a GP and working in the NHS. Today we had a visit from Dr Jess Harvey who told us about her Atlantic rowing challenge this coming December.

At Highley, we believe it is important to encourage children to aspire and to broaden their horizons by helping them see the many opportunities available to them in the future. I think the guest speakers this week were particularly powerful as they are all people from our own local Highley community who are doing remarkable and inspiring jobs, demonstrating that with hard work, determination and ambition, exciting possibilities are within everyone's reach!

Thank you once again for helping to inspire the next generation.

Congratulations to the nine children who represented our school at the Cross Country event on Tuesday. We were incredibly proud of every runner, and it was fantastic to see such determination and enthusiasm! An impressive five of our athletes achieved top 10 finishes, including a remarkable 1st place finish for Quinn in the Year 4 girls' race - what an outstanding achievement! While medals and high placements are certainly worth celebrating, we were equally proud of the four children who finished further down the field - cross country is a demanding sport that tests both physical endurance and mental strength, and these runners showed tremendous resilience, perseverance and courage - keeping going when it was tough, refusing to give up and crossed the finish line with determination and pride. Well done to all nine runners for representing our school so brilliantly.

Whilst I am looking forward to the weekend (as I am sure you all are), equally it has been another wonderfully calm week at Highley School - well done everybody!

Mr Plim

Stars of the Week

Clee

The star in Clee this week is Reggie. What a delightful little boy! You have made a great start to your reception year Reggie. You are helpful, polite and a good friend to everyone. Keep it up!

Miners

Robyn is Miners star this week she has grown in confidence and become more independent when moving around school. She has had such a happy, smiley week and has particularly impressed me with her fantastic English writing. Keep it up, Robyn - we are very proud of you!

Arley

Bernie is Arley's star this week! He has started year 2 with such a positive attitude, full of enthusiasm for learning. He always has his hand up to answer questions and tries so hard to do his best every day, always with a smile! Super work, Bernie!

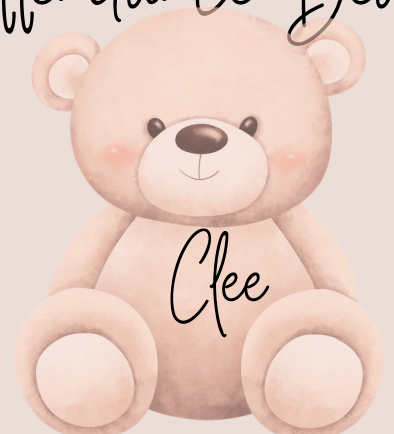

Netherton

The Star of Netherton class this week in Theo L. Well done, Theo, for all your hard work in English and for reading at home every day. Keep up the good work!

Station

Station's star of the week is Blake. We have been so impressed with how you have started Year 4 - what an excellent role model to the class you are! You are giving great care and attention to your work and have been such a helpful and friendly member of our class. Well done and thank you, Blake!

Stars of the Week

Hazelwells

Ironbridge

Our star in Hazelwells is Darcy! Darcy is so enthusiastic about her learning and has blown me away with her vocabulary choices and writing this week! She is also a wonderful, bubbly ray of sunshine who brings lots of joy to the classroom! Keep being you, Darcy!

Luca is an absolute delight to have in class. He is always respectful, kind and helpful, and has built wonderful relationships with everyone around him. He shows great resilience in his learning, always putting his hand up to answer questions and never letting mistakes put him off. Keep being your wonderful self, Luca!

Severn

Alfie is the star in Severn class this week as he has absolutely blown us away with his English this week.

His ideas and the use of his language has been fantastic. Not only that but his attitude towards his learning is really positive and he is putting 100% into lessons. A brilliant start to Year 5 Alfie, well done and keep it up!

Wrekin

Star of the Week in Wrekin is the incredible Isla Ellis for a brilliant attitude at the start of Year 6 and a clear determination to do well! This week she has worked incredibly hard, even when there were distractions around her, and she's shown exactly the kind of maturity we love to see in Year 6.

Hitchens

Sienna has come back to school with a fantastic positive attitude and has made a brilliant start to Year 5. She is constantly challenging herself, helping and coaching others, and consistently producing work to a very high standard. She is a wonderful role model to those around her and a pleasure to have in our class.

Well done, Sienna! Keep it up!
